

Masonite International Corporation

Notice of Product Certification

This notice confirms that the following product lines manufactured and/or distributed by Masonite have been tested and certified in accordance to ASTM E2190 for seal durability of Insulating Glass (IG) Units. Please confirm certification by locating the certification number on each individual door lite.

IG Certification Number	Spacer Type/Sealant	Glass	Gas Fill	Internal Components
KCI IG-0032-03	Anodized Aluminum (Boxed) / Polyurethane	Coated / Uncoated	Air	Yes
KCI IG-0249-01	Intercept (U-Shaped Steel) / Polyurethane	Coated / Uncoated	Air/Argon	Yes
KCI IG-0249-02	Flexible (Hybrid Metal/Non-metal)	Coated / Uncoated	Air/Argon	Yes
KCI IG-0310-02	Flexible (Hybrid Metal/Non-metal)	Coated / Uncoated	Air/Argon	Yes
KCI IG-0310-03	Flexible (Foam) / Polyurethane	Coated / Uncoated	Air/Argon	Yes
KCI IG-0310-01	Anodized Aluminum (Boxed) / Polyurethane	Coated / Uncoated	Air	Yes
IGCC/IGMA 2534	Butyl Sealant Spacer (Hybrid Metal/Non-metal)	Coated / Uncoated	Air	Yes
IGCC/IGMA 2593	Anodized Aluminum (Boxed) / Polyurethane	Coated / Uncoated	Air/Argon	Yes
IGCC/IGMA 3958	Butyl Composite Spacer (Hybrid Metal/Non-metal)	Coated / Uncoated	Air/Argon	Yes
IGCC/IGMA 1924	Stainless Steel Spacer	Coated / Uncoated	Air/Argon	Yes
